1995 DOE/NSF/DPF Survey by Particle Data Group
Particle physicists per 2-years
Middle line excludes postdocs.
Bottom line also excludes
untenured faculty.

1995 DOE/NSF/DPF Survey by Particle Data Group

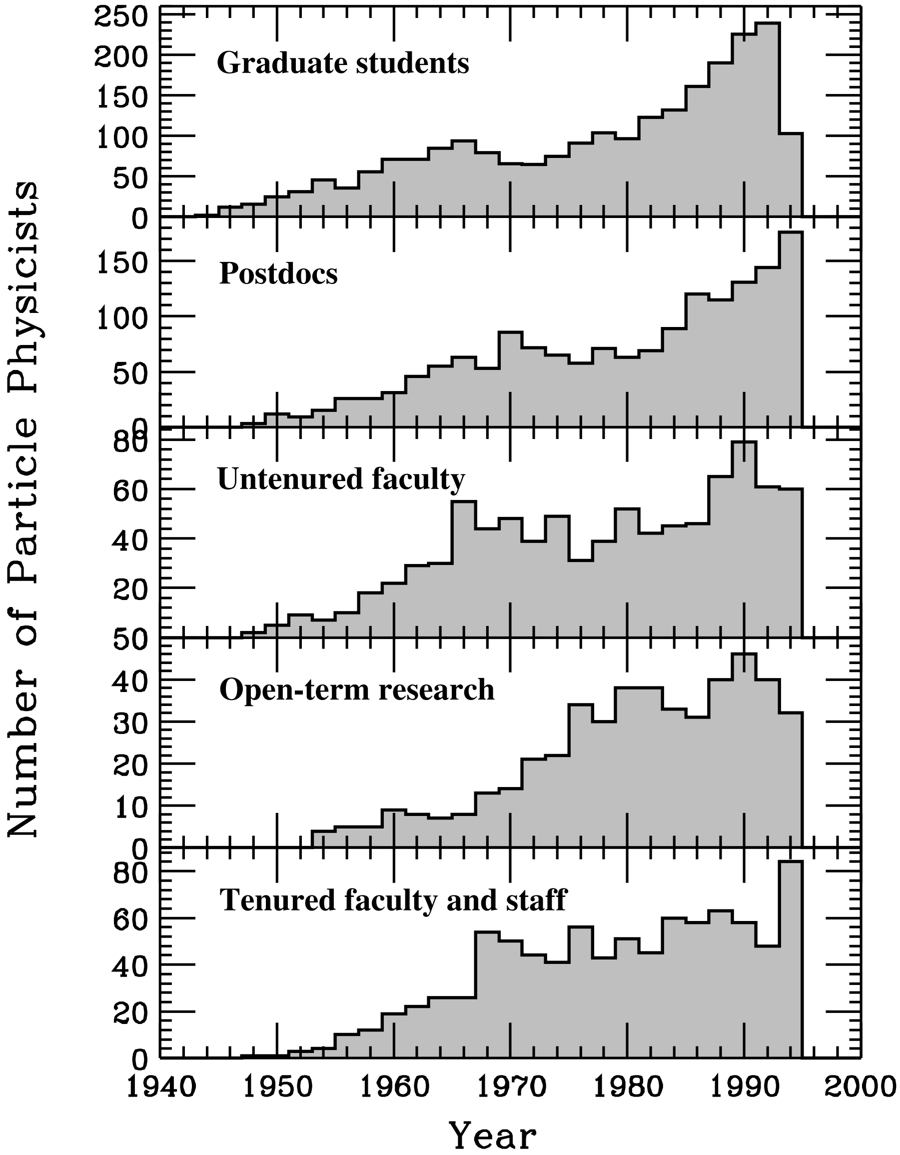
Date of starting positions held currently or in the past

Beware -- This survey cannot account for people who have left the field.



1995 DOE/NSF/DPF Survey by Particle Data Group

Number of physicists currently in particle physics who held given positions in the past.

Beware -- This survey cannot account for people who have left the field.
