Questionnaire for PRINCIPAL INVESTIGATORS

(DOE/NSF Census and Workforce Study of HEP)

By May 15, 1995, please return this and all individual census forms together to: Donna Sier, ER-222, U.S. Department of Energy, Division of High Energy Physics, 19901 Germantown Road, Germantown, MD 20874-1290

SECTION I—FORMER GRADUATE STUDENT INFORMATION

We are requesting this information from Principal Investigators to insure that our coverage of former graduate students and research associates is as complete as possible. Your response will be used to supplement the DOE/NSF Census that everyone is being asked to fill out. Your help in telling us who has left HEP and where they are now is especially important.
